Handwriting Analysis: "Personality Self-Portrait".

Discover the hidden resources and challenges that your handwriting reveals!

Directions: please write in cursive *script* the following grammatically incorrect quote.

**"Today's youth is learning everything about cats, dogs,
monkey's and purple people eaters. Do you know why? Oh, it doesn't really
matter just remember don't always think about the best feeling you ever had."**

(This text was created to reveal significant insights in just a few words.)

Your e-mail address (please print clearly):			
Are you interested in personal or business coaching?	Yes	Maybe	No
Would you like Joseph to speak or do handwriting analysis for your group or company?	Yes	Maybe	No

Fax this form to Joseph **(24 hr fax) at: 310.496.0912**
Or scan it and e-mail it to: **Joseph@LifeCoachingWorks.com**

This process is not about grammar or about the neatness of your handwriting;
it's about how your unconscious mind is processing information.
